Vision

We envision vibrant towns where people have safe, high-quality housing and a welcoming place to call home.

GMM Mission

To manage multifamily properties and provide housing expertise to the communities we serve.

GMP Mission

To develop, own, and manage multifamily properties and provide housing expertise to communities.

Our Values

Relationships

We value our relationships with owners, residents, employees, cities, state and federal agencies, and our professional Board of Directors.

Teamwork

We work together as a cross-trained and loyal team.

Efficiency

We cultivate positive change by getting things done and letting go of what does not contribute.

Service

We find our success in serving property owners and residents well.
